Helena, MT 59620-0513

Subject: Response to HB525 Questions re: Board of Professional Engineers and Professional Land Surveyors

Dear MT PELS Board and Committee members,

The Montana Association of Registered Land Surveyors recognizes the need for, and supports the existence of the Montana Board of Professional Engineers and Land Surveyors. For the good of the Health, Safety, and Welfare of the Public, we also share the thoughts expressed in the answers to the thirteen questions posed by the Economic Affairs Interim Committee.

It is our hope that BPELS continues to exist, and operate under the same guidance as they do currently.

Sincerely,

A handwritten signature in black ink, appearing to read "Russ Kluesner".

Russ Kluesner P.L.S.
President, Montana Association of Registered Land Surveyors

Cc:
Rep. Tom Berry, Chair
Economic Affairs Interim Committee
Montana Legislature
State Capitol
Helena, MT 59620
